Fun patch!

Engineer Factory LED Postcards

9am-12pm on February 2, 2019

Woodland Hills Academy
20800 Burbank Blvd, Woodland Hills, CA 91367

Electricity and art collide in this build with The Engineer Factory! Build, test, experiment, and solve problems like an engineer. Learn about light-emitting diodes (LEDs) and use them to design your own postcard that lights up!

Patch and snack included.

Brownies & Juniors
\$25/per
registered girl

To register go to the Event Calendar at <https://www.girlscoutsla.org>

New add-on patch for past engineers!

Start a collection by adding a small gear around your patch with each build!
